

Our Mission is . . .

To bring Glory to God by showing forth the faithfulness and power He gives to those who carry out the Words of His Son Jesus Christ and in so doing provide evidence for others to believe and put their trust in the living God.

Our Vision is . . .

- To become a biblically functioning community by structuring church life around the development of small groups (cells) so that meaningful and caring relationships can take place and thus create an atmosphere where God's Word can be practiced.
- To allocate church resources around the equipping and training of small group leaders providing them with the very best in knowledge, understanding, and encouragement.
- To experience God in regular settings of corporate worship through relevant and lively forms of worship that allow for the operation of spiritual gifts and the preaching of God's Word where people are encouraged in their faith and guided in its application.

ANNOUNCEMENTS

Tonight's Sermon

Tonight, Pastor McCowan will speak on the topic of Internet Security and how the passwords we use for online banking and other purposes are not all that foolproof. In fact, aggressive hackers these days are causing so much trouble and mayhem that we may have to start using our mattresses to secure our money. However, in Psalm 71, we have a promise from God. If we put our trust in Him, He will be our refuge, our rock, and our mighty fortress.

RightNow Ministries

Today in America there are more Internet connective devices than there are people and at Ekklesia we have a way of using those devices to view top quality biblical lessons from some of the premier Christian teachers around the world. Subject content includes teachings on Parenting, Finances and Discipleship, along with video lessons for Youth and Children. If you would like access to these videos, see or email Pastor Dave (dave@ekk-lex.org).
